

Why use Mil883_

If your core competence is not procurement take advantage of a low risk solution by using Mil883...

A company...
whose core focus is procurement
which has 2 electronic distributors in its group
with an efficient, cost effective procurement sourcing service
who will add ongoing value to your business
who delivers your promise
who is BS EN ISO 9001 : 2000

Mil883.com

Detail . Honesty . Compliance

At Mil883, excellent service and support is provided at all times and without question. Our customer support team is dedicated to treating you with the utmost respect. You are the customer, we provide the service.

08456 666 888

Factoring: need to know more see Logibuy.com

Mil883.com we'll work to keep your desk clear of problems
